About Creole Studios

Creole Studios is a young and vibrant creative digital agency catalyzing the digital transformation of businesses by providing tailor-made digital solutions and resource augmentation. By leveraging the industry-proven technologies and expertise in Web App Development, Mobile App Development, Cloud App Development, and Data Engineering, Creole Studios delivers curated solutions that are ROI-focused. A growing team of adept professionals at Creole Studios strives to realize the vision of businesses and create value that outlives the generations.

We do not make any false promises to our customers. We are transparent and deliver on our commitment without taking any shortcuts. With young blood and vibrant energy, we are here to prove ourselves.

Vision

To empower business leaders to digitally transform their businesses through technology solutions whilst we empower our people to be the changemakers.

Mission

To use custom development and resource augmentation solutions to help startups and SMEs create innovative solutions for their customers.

Core values

Creole Studios is a people-centric organization that brings out the best in people by empowering and challenging them as we strive to become true partners of the businesses as they move ahead in their digital transformation journey.

Key persons

Creole Studios was founded by Anant Jain, Nirmalsinh Rathod, and Bhargav Bhanderi 8 years back in 2014 with the commitment to helping businesses by being their technology partner and providing solutions in the leading industry-proven technologies.

ANANT JAIN
Director - Sales & Operations

Anant is a process-oriented entrepreneur and the backbone of the business specializing in operations and enabling to drive value for the customer and their businesses.

NIRMALSINH RATHOD
Director - Mobile Technologies

Niramlsinh, an experienced leader in mobile technology, brings his vast experience to help customers create the right mobile solutions for their business.

BHARGAV BHANDERI
Director - Web & Cloud Technologies

Bhargav is a web & cloud evangelist and helps businesses as a technology advisor and supports them to move in the right direction.

Engagement models

⊙ **Dedicated models**

Best for long-term development projects having the flexibility to utilize various skills and expertise. It enables access to developers who work as an extended in-house team by keeping costs in check. .

⊙ **Subscription-based models**

Choose a subscription package with fixed development hours and costs to meet your project milestones.

⊙ **Fixed Cost**

End to end software development, suitable for MVP development

⊙ **Tailor your package**

Not sure what you need, do not worry, we can customise a plan for you

Client testimonials

INDY SINGH
Director at Khalsa Aid International - UK

"Creole Studios have been very professional, prompt and thorough whilst working on our website. We could not have asked for a better development partner. We have received 20% growth in page views, correlating with increased donation income. Working with a perfectionist is not easy, yet they have demonstrated patience and adapted to all changes made from our side. We look forward to starting further projects with Creole Studios."

RUI KOJIMA
Sr. Director of Ecommerce at Aetrex Worldwide

"Creole Studios is my favorite spot. I hired their dedicated developers to develop three websites for my footwear brand, and they were excellent. Currently, my website is going well as it's SEO friendly, engaging and very secure. Impressed by their communication, quality of work, and level of commitment.

ELAN S
Founder at Sportivity - Singapore

"I hired the Creole Studios team to develop my app, and I'm proud of my decision. Their attentiveness to work is noteworthy and valuable. They provided me with timely updates, feedback, and insights. The one thing I loved the most was their methodology and way of communication as their developers are very responsive and always come up with some suggestions. I would definitely reach out to them for my future projects. "
